We're on a mission to make a miracle every day. As a token of our appreciation for making 2010 an epic year, we're giving away a high-quality 320Kbps MP3 download every day this month. [That's 30 days of unreleased Grateful Dead tracks from the vault, selected by tape archivist David Lemieux!](#) Intrigued? We're also going to put your knowledge to the test and give you the chance to win more classic tunes from the Dead...

You know your Ables from your Bakers from your C's, but can your finely tuned ears differentiate the cosmic "comeback" tour from a spacey 70's show? Each day at 9am PT we'll post a free download from one of the Dead's coveted shows. Will it be from that magical night at Madison Square Garden in '93 or from way back when they were just starting to warm it up at Winterland? Is that Pigpen's harmonica we hear? Brent on keys? [Step right up and try your hand.](#)

Each day, the first person to guess the venue & date correctly will get a Road Trips CD of their choice. If you're not first but you've still answered correctly, you will also be automatically entered for a weekly prize of [THE WARNER BROTHERS STUDIO ALBUMS VINYL BOX \(EXCLUSIVE EDITION\)](#) or a [FORMERLY THE WARLOCKS](#) boxed set.
